facility that is sponsoring the Overseas Rotation. In this regard, RESIDENT hereby assumes all risks associated with any claim of injury or death asserted against RESIDENT that may arise from RESIDENT'S activities associated with the Overseas Rotation. RESIDENT understands that the foregoing provisions discharge McGAW, its corporate members and their board of directors, officers, employees, agents and representatives (in their official and individual capacities) from any liability or claim that may arise from RESIDENT'S provision of professional medical services in connection with the Overseas Rotation.

- (e) Rotations at international settings not previously approved by the Center for Global Health and Dean's Administration or extension of trips beyond the site(s) requested are considered vacation/non-sanctioned travel.
- 2. RESIDENT, individually and on behalf of his or her heirs, successors, assigns and personal representatives, hereby freely, voluntarily, and without duress releases, acquits and forever discharges and holds harmless McGAW, its corporate members and their respective boards of directors, officers, employees, agents and representatives (in their official and individual capacities) with regard to any claims, and demands of whatever kind or nature, either in law or in equity, which arise or may hereafter arise from RESIDENT'S activities while completing the Overseas Rotation, including, but not limited to, any liability or claim that the RESIDENT may have against them with respect to any bodily or personal injury, illness, death, or property damage that may result from RESIDENT'S activities and travel related to the Overseas Rotation.
- 3. RESIDENT, individually and on behalf of his or her heirs, successors, assigns and personal representatives, hereby agrees to indemnify, defend and hold harmless McGAW, its corporate members and their respective boards of directors, officers, employees, agents and representatives (in their official and individual capacities) from any and all liability, loss or damage that they or any of them incur or sustain as a result of any claims, demands, actions, causes of action, judgments, costs or expenses, including attorneys fees, which arise out of, relate to, occur during, or result from RESIDENT'S participation in the Overseas Rotation.
- 4.
